Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 1600 on Wednesday 29 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Thursday unsettled with rain then showers, always heaviest in west.

This Evening and Tonight:
Dry, clear and chilly at first. Temperatures recovering as cloud and rain extends eastwards during the night. Rain accompanied by strong southerly winds, gales for a time on West Coast. Minimum temperature 3 deg C (37 deg F).

Thursday:
Cloudy, wet start but rain clearing eastwards to leave a showery day, with outbreaks frequent and heavy in west. Best of the limited brighter spells late afternoon and towards Inverness. Maximum temperature 15 deg C (59 deg F).

Outlook for Friday to Sunday:
An unsettled few days with areas of low pressure passing close to Scotland. There will be showers or some longer spells of heavy rain. Windy at times too.
